

Week 31 (4/12-4/16)

Algebra:

M. Simplifying Radical Expressions (Square Roots).

Homework: worksheet.

T. Simplifying radical expressions involving addition, subtraction, and distribution.

Homework: p. 152 #1-16.

W. More simplifying radical expressions including the FOIL method.

Homework: p. 152 #34-45.

Th. Review: Radicals.

Homework: Practice Quiz.

F. Radicals Quiz.

Homework: none.

Retake work: None for half quiz.

Math 8:

M. Three dimensions: Prisms.

Homework: worksheet.

T. Circles and changing dimensions. Cylinders.

Homework: worksheet.

W. Three Dimensions: Pyramids and Cones.

Homework: worksheet.

Th. Review: Dimensions.

Homework: Practice Test.

F. Dimensions Test.

Homework: none.

Retake work: None for half quiz.

Geometry:

M. The Law of Sines.

Homework: p. 1-10, 13.

T. The Law of Cosines.

Homework: p. 643-644 #1-10.

W. Vector Geometry, Trig. Application.

Homework: p. 648-649 #1-10

Th. Trigonometry Review.

Homework: Practice Quiz

F. Trigonometry Quiz.

Homework: none.

Retake work: None for half quiz.
